**ORDER PROPOSING APPOINTMENT
OF SPECIAL MASTER**

Case No.: 4:19-cv-00058-DN-PK

District Judge David Nuffer

The specialized nature of the issues which may be presented by the seizure of electronic data in this case, and the need to prevent delay, suggest that appointment of a special master be made at the start of the hearing set September 3, 2019.

A proposed order appointing special master, which would be entered at the time of entry of a seizure order, is attached, together with the CV for Phil Favro, the proposed special master, whose fees are \$295 per hour, with expenses charged in addition.

Any objection to the appointment must be filed by Plaintiffs before August 28, 2019, and by any other party by September 2, 2019.

Plaintiffs must serve this order and all attachments with the seizure order, summons and complaint.

SIGNED this 22nd day of August, 2019.
